

## Moonglow

It must have been moonglow  
Way up in the blue,  
It must have been moonglow  
That led me straight to you.

We seem to float right through the air,  
Heavenly songs are coming from everywhere...

And now when there 's moonglow,  
Way up in the blue  
I always remember  
That moonglow gave me you.  
That moonglow gave me you.  
That moonglow gave me you.
