

## At Last Lyrics

At last, my love has come along  
My lonely days (nights) are over  
And life is like a song

I found a dream that I could speak to  
A dream that I can call my own  
I found a thrill to press my cheek to  
A thrill that I have never known

Oh, yeah when you smile, (at me) you smile  
And oh, the spell was cast  
And here we are in heaven  
For you are mine

At last
