I Try A Bit, I Try Music & Words (Musik + Text) Adrienne Morgan Hammond

1.
Sometimes you make decisions, sometimes you make mistakes.
As long as you keep on livin´, everything will work out okay.

Refrain 1:
I do not look back in anger, I just cry a bit, I cry. I do not look back in anger – no.
I just sigh a bit, I sigh.

2.
Thank God that we have a free will we can still decide to change our fate…
One thing you should remember is that it is never never ever too late.

Refrain 2:
I do not look back in anger, I just cry a bit, I cry. I do not look back in anger – no.
I just try a bit, I try.

Bridge:
I try to keep my faith, keep my dreams. I try to protect my heart…
I try to keep my faith, keep my dreams. I try to keep keepin´on

3.
Sometimes we make crazy decisions, sometimes we make stupid mistakes.
But as long as we keep believin´, everything will work out okay.

Refrain 3:
I do not look back in anger, I do not scream or blame the world. I do not look back in anger – no. I just cry a bit, I cry. I just die a bit, inside. I just sigh a bit, I sigh. I just pick myself up again and try.
