Because of You Words & Music Adrienne Morgan Hammond

A.
A freind of mine once told me, that when an eagle finds its mate it lasts forever,
Never thought I´d find the one for me, but on the day that I gave up he came to me.
A.
And it was just like in the movies...he said „Hello" and something happened to me
There was music all around us, a grand and glorious symphony.

B.
And on that day my life began to have a meaning, and all the puzzle pieces finally fell in place...just like an eagle soaring high above the planet
My soul is soaring too, all because of you!

Refrain:
All because of you, All because of you...
Because of you.
